

***Meetings, events and a monthly publication,
from just £5....!***

For almost a century, United Automobile Services was part of everyday life in North East England. We went to school, work, shops, leisure and everywhere between on the familiar red buses, and holidayed at the seaside, London and everywhere beyond on the distinctive express coaches.

Our monthly publication *The United Enthusiast* vividly celebrates United and its associate companies, with club members sharing their memories and researches through lively articles, photographs, letters and other features. We also journey into the present, attending meetings and events with our club stall, and reporting the news of Arriva North East, the current successor to United.

Members may subscribe **online** (by PayPal) or by **post** (by cheque/postal order) and choose *The United Enthusiast* in **PDF format** (via e-mail) or **printed format** (via Royal Mail post).
